

DFY Funnel Rolodex

Offer Information

Welcome!

Here is a directory of the funnels included with the DFY package of Click Siphon AI.

Be sure to see the main training! This package does not replace the main course.

Note: Items are tagged for the affiliate market in which they are found.

NOTES:

- Always obtain your affiliate links from the respective marketplaces.
- Always test your affiliate links before going live with promotions!
- Not all offers will be available all the time as sellers often rotate them.
- Use these as examples for funnels & launch jacking of future product launches
- AI Tools can edit these pages for you, including setting the configuration and telling you how to host the files. Drop in the files and ask for help.
