11 Steps to Start Your Own Business:

① Publish content daily.

- Choose 2 Platforms
- Write around your curiosity
- Build an audience
- Be consistent

② Buy a domain.

- Use GoDaddy
- Sell anything, anywhere
- Save with the lowest fees
- Bring your business online

③ Survey your community.

- Figure out the best way to serve.
- Course
- Events
- Software
- Coaching
- Community
- Membership

④ Find a mentor.

The quickest way to grow is to learn from someone that is 2 steps ahead of you. Reach out to people you respect.

⑤ Be scrappy.

People love hustlers. Entrepreneurs love to pay it forward. Go for a win. Talk to people. Launch. Learn. Iterate.

⑥ Build systems.

- Audience growth systems
- Content creation systems
- Monetization systems

⑦ Find your calling.

Focus on your purpose by completing your iKigai. iKigai = your reason for being.

⑧ Incorporate a company.

Control your destiny. Start your business for \$0. I use bizee.com

⑨ Get your banking set up.

You can use:
→ Stripe for payments
→ Wise for banking

⑩ Drive people to a newsletter.

- Own your audience
- Publish 1x per week
- Use ConvertKit

⑪ Build an MVP.

- Kajabi for a course
- Webflow for a website
- Shool for a community
