

DFY Offer Resources

Effortless A.I. Side Hustle | Done-For-You Package

INTRODUCTION

Congratulations on investing in the Done For You package!

This guide breaks down five high-performing offers into a single, focused resource crafted for marketers who value clarity, persuasion, and results.

Each offer in this package has been hand-selected for its potential to convert and its alignment with proven sales psychology.

Inside, you'll find:

- **The Offer Breakdown:** Complete with the **Offer Name**, **Vendor**, **Sales Page**, and **Affiliate Page** so you can get started fast.
- **Compelling Hooks:** Angle ideas designed to grab attention and stop the scroll.
- **Winning Headlines:** Headline templates you can adapt to email, social, or ad placements.
- **Persuasive Summaries:** Clear, benefit-driven copy that connects with your audience and sets the stage for the sale.

Lastly, this guide also provides ChatGPT prompts for digital and ecommerce products, so you can generate campaigns for offers not explicated built in this package, using their materials as templates for other promotions.

Whether you're running cold traffic, retargeting warm leads, or building trust with your list, these offers are battle-tested, ready to deploy, and structured for scale.

Let's dive in.

Plug Into 7 Free Lead Sources and Watch the Subscribers Roll In

Summary:

Auto-Lead AI is an AI-driven sales funnel system aimed at building email subscriber lists and generating affiliate commissions. It operates without the need for content creation, product sales, or paid advertising. The system taps into seven free lead sources and has demonstrated results like acquiring 1,358 email leads and \$2,435.27 in commissions within four days. Offered at a one-time price of \$17 (regularly \$97 monthly), it comes with a 60-day guarantee to generate leads.

USEFUL PROMPTS – DIGITAL OFFERS

Use this prompt to analyze info/software offers you find on affiliate marketplaces.

I am working on a project to create simple social media ads to generate clicks for an affiliate product. Visit the following page (address to sales letter) and recommend headlines, topics, and central concepts that I can use to post on social media to promote the product I provided in the link. Don't be clever or sound like a used-car salesman. Write in a casual professional tone but use natural language. Most of what I need will be short statements that express benefits and invoke curiosity. I am using [pinterest] to promote so give me content and an image that I can use on that platform.

NOTE: Some websites do not let ChatGPT read the page. In that case, copy the bullet lists and tell chatGPT to give you summary headlines with the following prompt:

I am working on a project to create simple social media ads to generate clicks for an affiliate product. Please recommend headlines, topics, and central concepts that I can use to post on social media to promote the product I provided in the link. Don't be clever or sound like a used-car salesman. Write in a casual professional tone but use natural language. Most of what I need will be short statements that express benefits and invoke curiosity. Here is some text to start from: [PASTE BULLETS FROM SALES PAGE] I am using [pinterest] to promote so give me content and an image that I can use on that platform.

USEFUL PROMPTS – ECOMMERCE OFFERS

The prompts are a little different for physical ecommerce products that you wish to promote, particularly with Amazon.

You can tell ChatGPT to search for the page and pull-out important benefits from the product listing. Your output is only as good as in your input, so be sure to specify your audience and give ChatGPT insights into them. You can also ask ChatGPT to dig up insights.

Note: The main course includes AI tools to help give you audience insights and generate content!

Analyze this product at the following link and help me conceptualize an affiliate marketing campaign. I will need hooks, headlines, and sales points. My audience is [accurately describe audience particulars – niche, demographic, location, trends.] I will be using [Pinterest] to promote these products. Here is the link to analyze: [link to amazon product page]
